DESIGN & MARKETING EXPERIENCE

Concordia University Wisconsin Football | Graphic Designer

Mequon, WI — August 2026 - Present

- Design game-week promotions, homecoming announcements, team captain features, and player award graphics, including Player of the Week recognition, to highlight athletes and promote CUW Football.
- Manage content and publishing across CUW Football's Instagram, Facebook, and X accounts, bringing team announcements and promotional graphics to a combined audience of approximately 22,000 followers.
- Created CUW Football Instagram content, contributing to 558K+ views and 16.4K+ interactions in 30 days.
- Produce at least seven graphics per week, combining static designs and animated clips to support game-week coverage, seasonal promotions, and recognition of team accomplishments.

OktoRocket | Marketing Intern

Franklin, TN — Summer 2026

- Developed marketing materials and social media content primarily in Adobe Illustrator, translated company product information and brand identity into visuals for promotional campaigns.
- Managed social media content and assisted with paid advertising, growing the audience by 1,425 net followers and increasing engagement 38.5% during summer 2026.
- Supported convention preparation and advertising, then attended the Shop Hackers conference with 1000+ attendees, to promote the company's product directly to attendees and contribute to its event marketing efforts.
- Created social media reels using Adobe After Effects and CapCut, contributed animation and video editing to create content that promoted company products and reinforced brand identity.
- Set up and ran a promotional giveaway across OktoRocket's Facebook, Instagram, and LinkedIn accounts.

Vector Marketing | Sales Representative

Milwaukee, WI — August 2025 - January 2026

- Generated more than $10,000 in sales within 10 days, ranking in the top 1% of representatives nationwide.
- Delivered product presentations through more than 30 customer Zoom calls, communicating product features and benefits and guiding prospective customers through purchasing decisions.
- Independently identified prospective clients, conducted outreach, and coordinated all customer Zoom appointments, managing the process from initial contact through scheduled product presentations.

Mathews Company | Marketing Intern

Crystal Lake, IL — Summer 2023

- Updated company logos primarily in Adobe Illustrator, refining existing brand artwork as part of rebranding efforts and preparing refreshed visual assets for company marketing materials.
- Updated print collateral and conference materials to incorporate revised logos and branding, carrying the refreshed visual identity across printed communications and event materials.

OTHER EXPERIENCE

Chick-fil-A | Team Member → Trainer

Crystal Lake, IL — April 2021 - March 2023

- Promoted from Team Member to Trainer, took on responsibility for teaching new employees store procedures.
- Worked across front- and back-of-house operations, supported order taking, drive-through service, and order bagging to keep daily restaurant service moving.
- Trained team members on iPOS order entry and service workflows, reinforced accurate orders, organized bagging, and consistent customer interactions.
